Team Building Options (inclusive of our inhouse facilitator)

With over 10 years of team building experience our dedicated facilitators and unique facilities are perfect for any group wishing to improve communication skills, break barriers and improve output from your team.

The packages have been designed with general team building outcomes in mind and do require a certain level of physicality. Please note that customised packages can be designed for each group.

Silver Team Building

Time: 2—3.5 hours

Physicality: Low

Group Size: 8—100

Price: \$25per delegate

Outline

Consists of standard team building activities carried out surrounding the polo field.

Groups will start with ice-breaker activities before being divided into manageable team sizes. They will come up with team names, war cries and face paid designs before running through a number of activities.

Activities may include any number of the below:

human slug
Jacobs Ladder
walk the plank
leaky pipe
blindfold volleyball
tyre of war
chip to win

Gold Team Building

Time: 2.5 to 4 hours

Physicality: Medium/ High

Group Size: 8—100

Price: \$30per delegate.

Outline

Following the same design as the silver option with the added excitement of competing over the obstacle course.

This fast and exciting course requires team work, trust and communication and is a wonderful addition to any team building option.

Platinum Team Building

Time: 2—6 hours

Physicality: Custom designed to meet your requirements

Group Size: 8—100

Price: \$45per delegate

Outline

Our team will custom design a package for you that combines the standard team building package with your choice of two activities from the below list. The itinerary will be designed to ensure that the activity has various team building elements built in to ensure the outcomes of the team build are met.

List of activities

canoes
obstacle course and zipline
game drive
nature walk
cave painting tour
wine tasting.

Kings Team Building

Time: 2 hours

Physicality: medium

Group Size: 4—16

Price: \$65per delegate

Outline

Polo is often called the sport of Kings and Bushman Rock is one of the only places in the world that offers “Polo Team Building”.

Delegates will have a short description of the sport before being taught how to hit the ball from a “wooden horse” or stand. They will then take turns in getting on a fully trained polo pony. Each delegate will have the opportunity to have their photo taken in-front of the scoreboard and will be able to try to hit the ball while being led during a 5 minute ride.

All prices are in addition to the conference packages.

Room / Setup	Board Room	Theatre	Banquet	Cocktail	Classroom	U Shape
Board Room	10	-	-	-	-	-
Polo Pavilion	76	200	150	250	80	60
Dam Side Gazebo	8	16	8	16	12	9

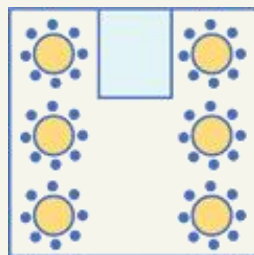

Board Room

- Popular for small groups up to 25 pax
- The group is compact and discussion is facilitated as every delegate can see each other.
- This layout is not recommended if there is a presentation at one end of the room

Theatre Layout

- This is the most suitable layout for large groups making the best use of space.
- All conference attendees are facing the front of the room with a comfortable view of the speaker and presentation.
- Speaker can be elevated on a stage or podium and seating is

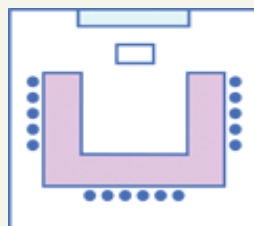

Banquet Meeting Layout

- Facilitates working in small groups. Tables usually seat 8 to 10
- Good for social and gala events.
- Many of the delegates have their backs to the centre of the room and this needs to be considered according to your requirements.

Classroom Layout

- Great for training and presentations
- Everyone facing the front of the room with clear view of the speaker/presentation
- Each conference attendee has a table and ample workspace

U-Shape Layout

- This layout combines the intimacy of boardroom set up with a clear view to the front of the room
- Ideal for small groups requiring a presentation and discussion forum.
